April 2024

Spring has sprung at Cherry Hill Pre-School! The crocuses are blooming in the front gardens! Even though I am anxious for the warmer weather, it is certainly bittersweet knowing that we are heading into the latter part of the school year. It has been flying by!!

A special message from Miss Cheryl..... As mentioned in your March newsletter I will be away 3/28-4/5. I will not be available to take emails or Facebook messages. Please CALL the school at 231-3355 if your child will be absent or if you have any other information you need to tell the teachers as well as any questions or concerns. Miss Kristina and Miss Valerie can address any of your questions. Miss Chris will be here most days assisting Miss Kristina and Miss Valerie. If you have not paid April tuition by March 28th please hold onto it until Monday April 8th for the pre-k morning class or Tuesday April 9th for the 2 day morning class and the afternoon class. Thank you for your cooperation in advance.

General Reminders

We will be getting outside as much as we can as long as it's at least 50 degrees and above, so please dress your child accordingly. That means appropriate footwear and a jacket if necessary. No Crocs or open-toe shoes. Please be reminded to let the teachers announce to the children if we will be going outside on their school day. Some school days we have special things planned that do not always allow us time to get outside. We do not want your child set up for disappointment.

All students returning in September including any student's siblings will be receiving a registration packet by the end of the month that must be filled out and returned with the most current information by Orientation Day so your child may start school on time. Feel free to mail them over the summer, mail is collected daily. If you know of anyone interested in our program, we have just a few spots available, we are filling up fast! Please have them contact me by email or have them call the school as soon as possible. The 2024-2025 school year begins with Children's Orientation on Wednesday, September 4, 2024. Regular classes begin Thursday, September 5th.

Pre-K Parents- If your child will be attending kindergarten in September 2024, please be sure to contact your local school department if you have not done so yet, for kindergarten registration dates. Most towns and cities have begun registering already.

School News

This month we will be focusing on the season of Spring with stories, projects, songs, etc. At the end of the month, we will begin preparing for our Annual Mother's Tea. The children will be making special gifts, cards, and learning songs to sing to their mom. Mother's Tea is a special time set aside for just you (the mom) and your child. **NO siblings or other family members are invited. If mom cannot attend this event, another special female family member may take her place.** Mother's Tea will be held the last 45 minutes of your child's class. However, your child will come to school their regular time and moms are invited back.

Mark your calendars! Pre-K morning class Mother's Tea is Thursday May 9th at 10:40am.
Afternoon class Mother's Tea is Thursday May 9th at 2:30pm. **Tuesday, Friday morning class** Mother's Tea is Friday May 10th at 10:40am.

Our Pre-k students will be finishing their year-long Alphabet book this month. We will put them together to give to them to take home sometime in May. There are still 2 more books they will need to finish and the preschoolers have a Journal and Color and Shape Book they are continuing their work in.
